love is joy with the accompanying idea of an external cause spinoza s definition of love manifests a major paradigm shift achieved by seventeenth century europe in which the emotions formerly seen as normative forces of nature were embraced by the new science of the mind this shift has often been seen as a transition from a philosophy laden with implicit values and assumptions to a more scientific and value free way of understanding human action but is this rational approach really value free today we tend to believe that values are inescapable and that the descriptive mechanical method implies its own set of values yet the assertion by spinoza malebranche leibniz and enlightenment thinkers that love guides us to wisdom and even that the love of a god who creates and maintains order and harmony in the world forms the core of ethical behavior still resonates powerfully with us it is evidently an idea western culture is unwilling to relinquish this collection of insightful essays offers a range of interesting perspectives on how the triumph of reason affected not only the scientific philosophical understanding of the emotions and especially of love but our everyday understanding as well

this first major study of a curiously neglected term in the history of sexuality will intrigue students scholars and enthusiasts alike the authors take us through a journey across four centuries showing how notions of sexual coldness and frigidity have been thought about by legal medical psychiatric psychoanalytic and literary writers

meditation is the result of departing from and returning to christianity it is about tasting again the salt of jesus teachings and rejoicing in imitating him in our eternal life which for us christians begins down here on earth and will continue on in heaven the catholic church which i served as an altar boy from the age of 6 to the age of 18 made me a legalistic robot with little or no free will i was engulfed in guilt and despair that i will never amount to anything good spiritually one day i quit trying to become a good catholic and went on a journey of discovery of other more attractive religions only to find along the way that jesus is the way

daniel françois esprit auber 1782 1871 the most amiable french composer of the 19th century came to his abilities late in life after a stalled commercial career he studied with cherubini his first works were not a success but la bergère châteleine 1820 written at the age of 38 established him as an operatic composer he then met the librettist eugène scribe 1791 1861 with whom he developed a working partnership one of the most successful in musical history that lasted until scribe s death after le maçon 1825 and la muette de portici 1828 auber s life was filled with success in 1829 he was appointed a member of the institut in 1839 director of concerts at court in 1842 director of the conservatoire in 1852 musical director of the imperial chapel and in 1861 grand officer of the légion d honneur auber s famous historical grand opera la muette de portici also known by its hero s name as masaniello is a key work in operatic history and helped to inspire the 1830 revolution in brussels that led to the separation of belgium from holland auber himself experienced four french revolutions 1789 1830 1848 1870 the latter the commune hastened the end of his life he died on 12 may 1871 at the advanced old age of 89 and in the pitiful conditions of civil strife after a long and painful illness which worsened during the siege of paris he had refused to leave the city he had always loved despite the dangers and privation even after his house had been set on fire by the petroleurs et petroleuses by some irony a mark had been placed against the house of the composer of masaniello the very voice of romantic liberty auber s overtures were once known everywhere a staple of the light classical repertoire the influence of his gracious melodies and dance rhythms on piano and instrumental music and on the genre of romantic comic opera especially in germany was overwhelming the operas themselves apart from fra diavolo 1830 have virtually passed out of the repertoire since auber s elegant and restrained art now has little appeal for the world of music attuned as it is to the meatier substance of verismo high wagnerian ideology and twentieth century experimentalism manon lescaut an opéra comique in three acts with libretto by eugène scribe was premiered at the opéra comique deuxième salle favart on 23 february 1856 the plot is derived from the novella histoire du chevalier des grioux et de manon lescaut 1731 by abbé antoine françois prévost d exiles scribe followed his usual practice in arranging novels for the stage retaining the names of characters the central incidents of the plot and effective moments which are used as coups de théâtre he adapted the novel freely cutting down the role of des grioux reducing manon s various adventures to a single one involving the marquis d hérigny and inventing new characters and relationships but he remained true to the novel emphasizing to the same degree manon s unwavering devotion to des grioux her search for pleasure and dependence on luxury auber who was 74 when he wrote the score worked with undiminished energy the ravishing overture immediately captures the pathos of manon and her story the fateful relationship with the marquis the giddy verve and gaiety of her world of opportunism and pleasure the dark side of the

story is also reflected and suggests that friendship and devotion remain the only enduring values there is an abrupt generic shift in act 3 from the elegant world of opéra comique to the more lyrically charged drame lyrique increasingly typical of auber's late style indeed the last scene devoted to the death of manon and the despair of des Grieux is a unique passage in auber's operas and provided the composer with the opportunity of writing a type of dramatic symphony powerfully expressive in its simple grandeur and real emotion the cast included the famous virtuoso soprano marie josephe cabel manon the tenor jules puget des Grieux and the legendary baritone jean baptist faure le marquis d hérigny despite a positive reaction to the première the opera did not survive in the parisian repertoire beyond 63 performances but there was resurgence of interest in this work in the late 20th century this edition reproduces the vocal score published in paris by maison boieldieu 1856
